

OFFICE OF THE VICE PRESIDENT
WASHINGTON

June 18, 2009

Darnall Daley, Jr.
1751 Garfield Avenue
Wyomissing, PA 19160

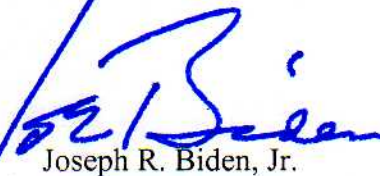

Dear Darnall:

Thank you for taking the time to write me and voice your opposition to the Employee Free Choice Act. I am honored you would reach out to me and I appreciate having the benefit of your views.

This is an extraordinary moment in our nation's history and it will take the passion and ideas of citizens like you to help solve the issues before us. Regardless of whether we agree or disagree on every policy issue, we can all surely work harder to find common ground with one another. It will take a cumulative effort from all of us to ensure America's tomorrows are better than her yesterdays.

I have taken note of your opposition to the Employee Free Choice Act and I encourage you to stay engaged and interested in your government. Again, thank you for your input.

Sincerely,
